HUNTING RIFLES  
AND GIFTS

# LONG RIFLE CARRY CASE

**\$79.95**

**BUY NOW**

With heavy duty padding for protection, this bolt-action rifle case is ideal for transporting your Christensen Arms firearm. This 53" by 12" by 2" case can accommodate most rifles, larger optics, and has room for most bipods. It also features oversized zippers for durability, two front zippered pockets for additional storage, and an adjustable padded sling. The main compartment offers a barrel pocket for added protection and straps to secure a rifle. This case weighs 3.2 lbs and has the Christensen Arms logo embroidered on a front pocket in white.

# WARNE® MOUNTAIN TECH SCOPE RINGS

**\$139.95 – \$149.95**

**BUY NOW**

Precisely CNC machined from 7075/T6 aluminum for a higher strength and lightweight platform, these scope rings are then Mil-Spec hardcoat anodized for abrasion and corrosion resistance and feature a stainless steel hardware for “Element Proof” protection. They include Mil-Spec 65in/lb., 1/2” tactical nut attachments for securely clamping to the rail and fit precisely with Picatinny & Weaver style mounts. Compatible for NATO-STANAG.

Available for 1", 30, and 34MM tube sizes in low, medium, and high for maximum compatibility with most scope/firearm combinations.

# CARBON FIBER JAVELIN PRO HUNT BIPOD

**\$329.95**

**BUY NOW**

Carried off the rifle and attached in seconds, the Javelin Pro Hunt bipod is designed for hunters who need to cover lots of ground but be ready in an instant. Attached to your rifle using the Spartan Magnetic Attachment System, the Pro Hunt has lockable, extendable legs that are easy and quick to operate with a single hand. Hunters challenged by uneven terrain will appreciate the single button Leg Lock-Out feature to open and close legs and ensure they stay fixed in the shooting position.

# CARBON FIBER BARREL BLANK

**\$694.95**

**BUY NOW**

Our carbon fiber gunsmith barrel blanks are crafted using our proprietary layering system and offer superior strength and accuracy while weighing less than a steel barrel of the same contour. The Barrel lining is made from match-grade 416R stainless steel which is measured to a tolerance of +/- .0001 and then bored, reamed, and button rifled. Includes threaded muzzle and thread protector.

# MESA

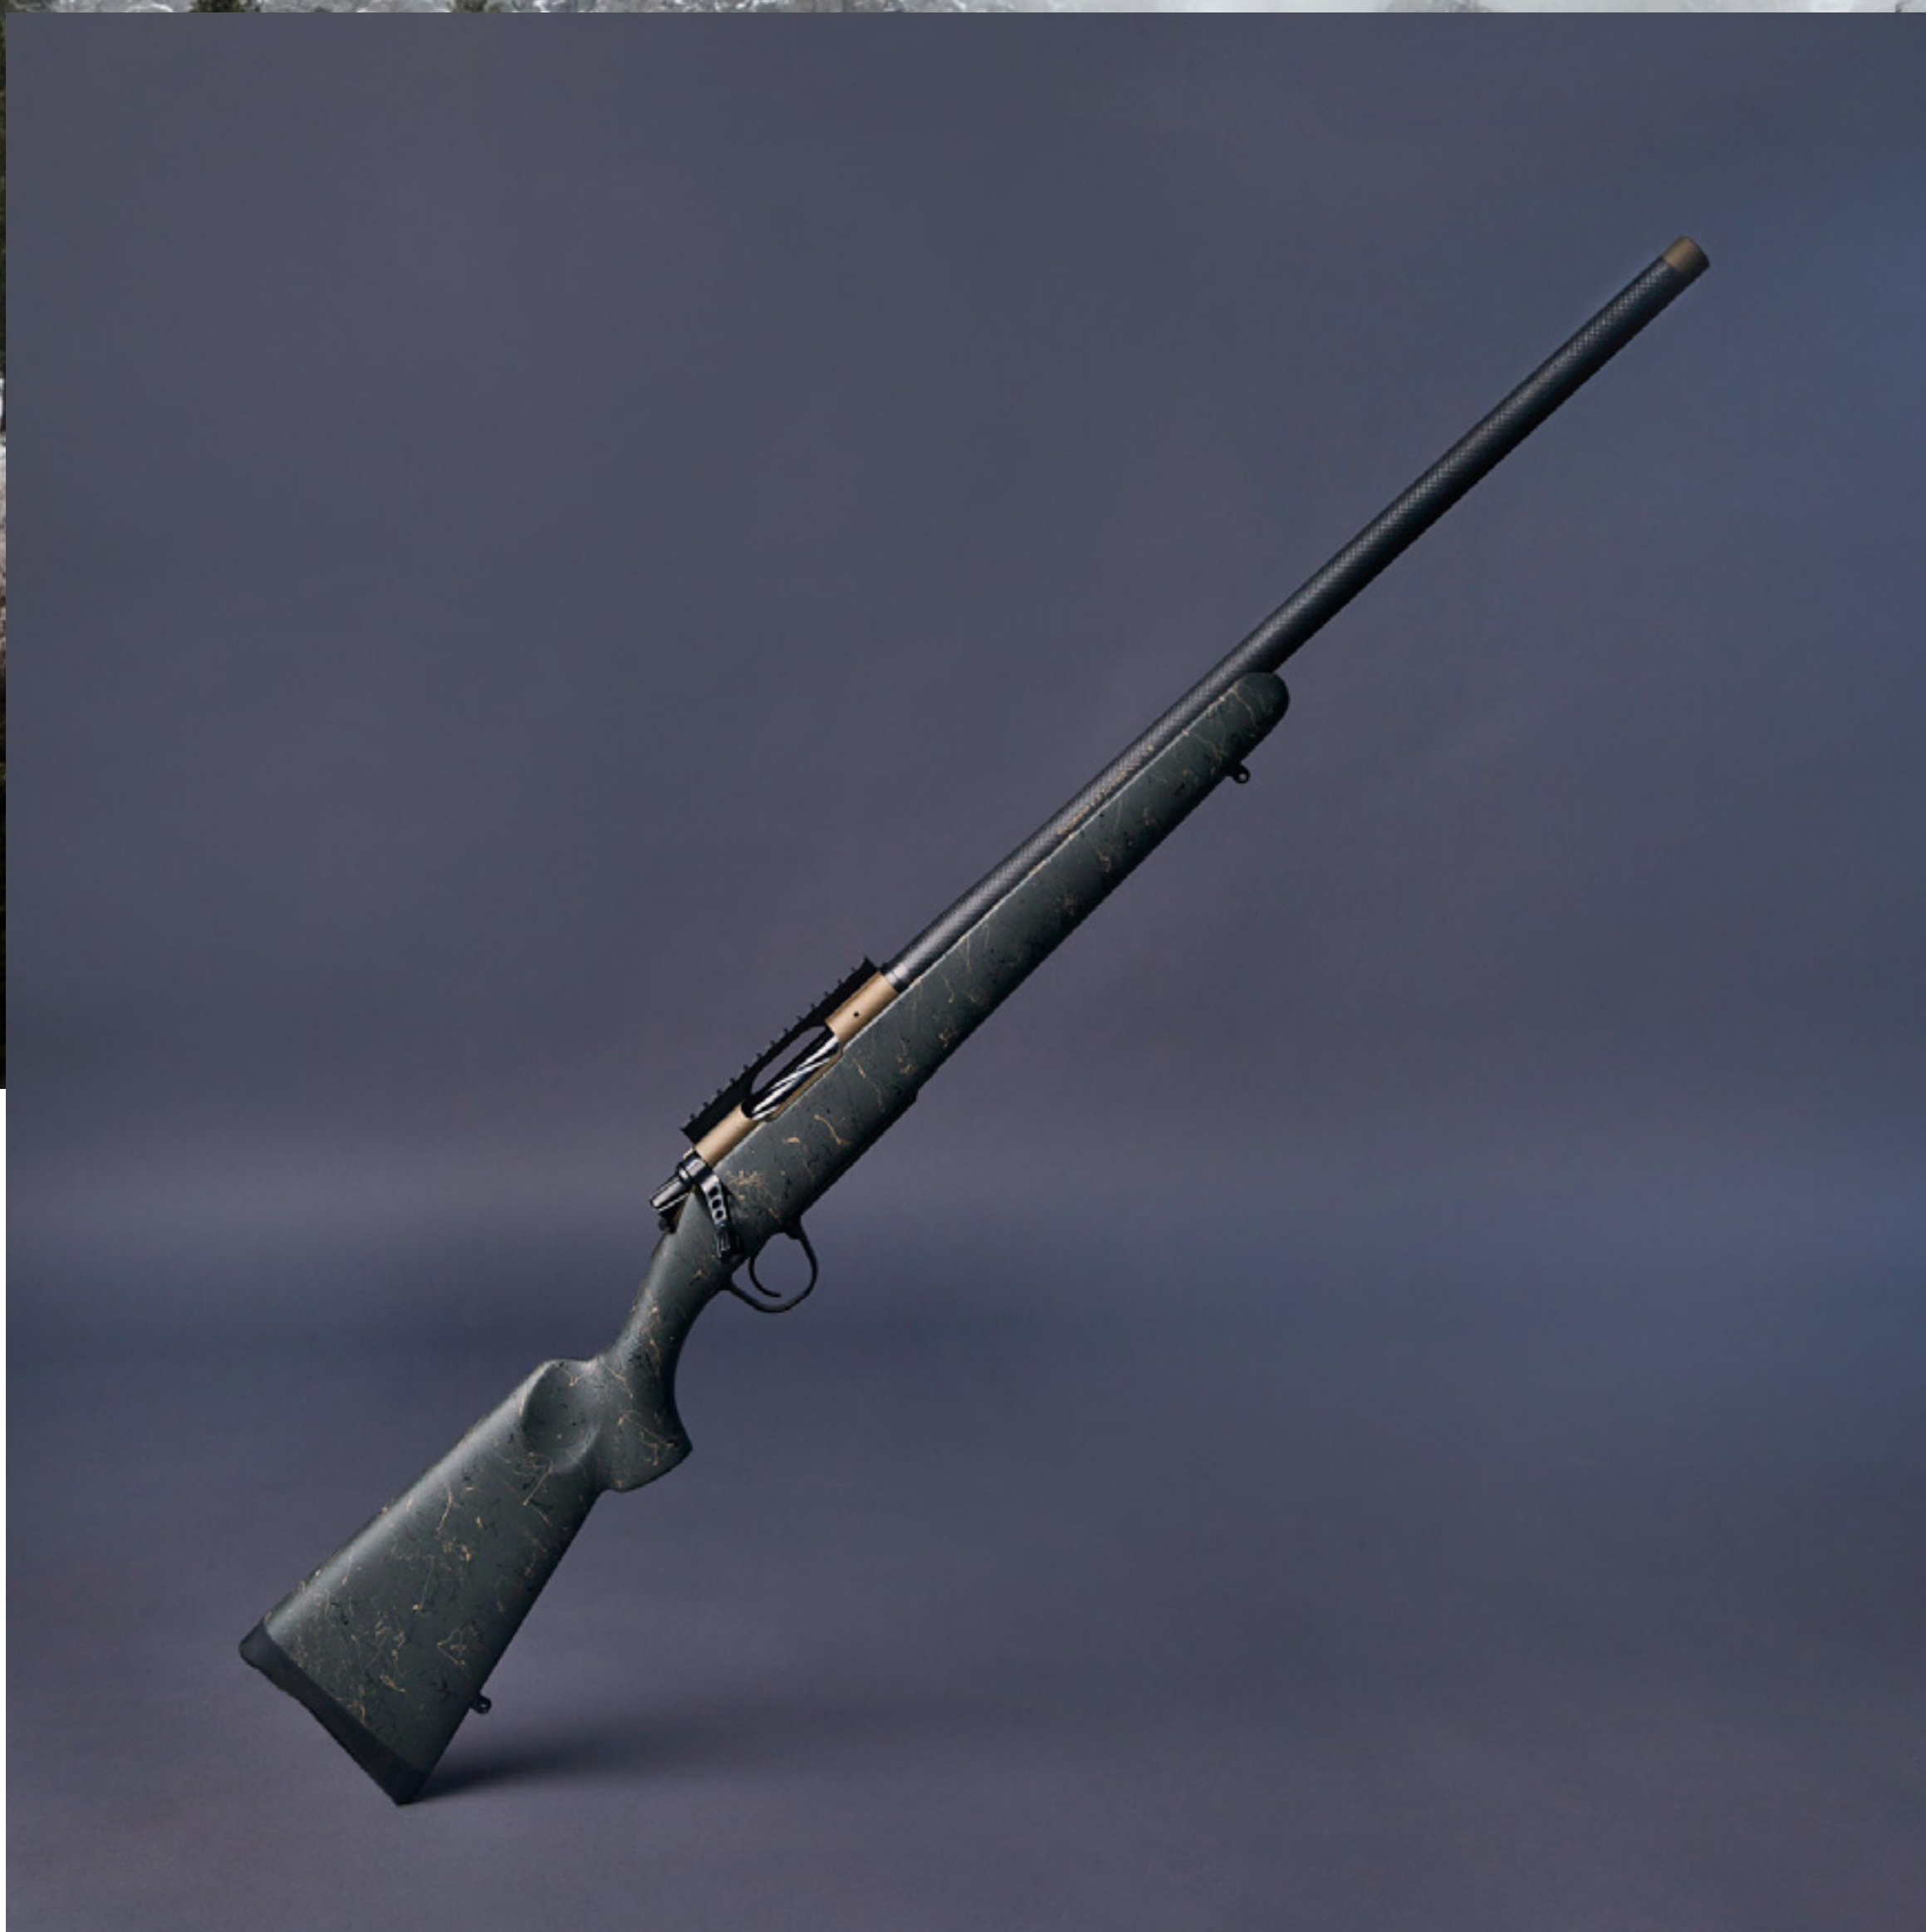

**\$1,295**

**[VIEW SPECS](#)**

The Mesa is a premium quality lightweight hunting rifle offered at an accessible price. The build features a featherlight contour stainless steel barrel with a seamless removable radial muzzle brake and a carbon fiber composite gunstock. The Mesa weighs in starting at 6.5 pounds and is backed by the Christensen Arms Sub-MOA Guarantee.

Select chamberings are available in a left-handed configuration.

# RIDGELINE

**\$1,995**

**[VIEW SPECS](#)**

The Ridgeline is the quintessential hunting rifle. Offered in twenty chamberings, the rifle features a sporter carbon fiber composite gunstock and a stainless steel radial muzzle brake built around a light target contour Christensen Arms carbon fiber wrapped barrel. The Ridgeline weighs in starting at 6.3 pounds and is backed by the Christensen Arms Sub-MOA Guarantee.

Select chamberings are available in a left-handed configuration.
