FEATURING

FLASH
FORGED
TECHNOLOGY

The Modern Precision Rifle with Flash Forged Technology is an ultra-lightweight chassis rifle designed to break tradition one day and build it the next. The MPR is the perfect rifle to transition between a backcountry hunt and a day on the range with family and friends. Beyond the folding stock, the complete package is well equipped with a target contour Christensen Arms carbon fiber barrel, carbon fiber comb, free-floating carbon fiber FFT handguard, standard AR-style grip, and a 20-MOA rail. The action and stainless steel side-baffle muzzle brake are finished in Black Nitride™. The Modern Precision Rifle weighs in starting at 6.9 pounds and is backed by the Christensen Arms Sub-MOA Guarantee.

STARTING AT
6.9 LBS
